25X1 [REDACTED]
25X1 During the period from 11 to 19 September 1952, it was determined that the headquarters located at the Ziethen Kaserne in Puthenow (N 53/Z 15) had returned, while the two signal battalions were still away. Between 10:30 a.m. and 6 p.m. on 11 September, there was a conference at the headquarters building. The conference was attended by 16 officers, mostly air force officers, who had arrived in sedans

25X1 [REDACTED]
About 7:15 p.m., these vehicles drove in a convoy toward the main railroad station. Between 10 a.m. and 8 p.m. on 17 September, there was another conference attended by 11 officers, including 6 air force officers.

[REDACTED]
About 9:45 a.m., 14 officers, including two air force officers, arrived the officers walked from the main railroad station to the Kaserne. *

25X1 [REDACTED] Comment. The conferences reported were attended by officers of the IV Arty Corps and of the air force. Similar officers' conferences were previously observed at the Ziethen Kaserne. It is believed that the exercises held in the Puthenow-Rhinow area between 16 and 19 September and in the area south and southeast of Puthenow after 23 September in which also units of the IV Arty Corps and of the air force participated were discussed. [REDACTED] The two signal battalions reported [REDACTED] are probably the 821st Arty Recon Bn of the 6th Arty Div and an unidentified signal battalion of the IV Arty Corps which are believed to be located in the Ziethen Kaserne.
